

Happy Holidays

2007

To our Patients, Clients, Friends and Associates,

At this Holiday time we want to thank you who have been so important to us this year. Please accept our personal thanks for all you have done to make this a most rewarding and productive year. We truly appreciate you.

Home Care in America is a vital service and we are so thankful that we have an opportunity to share our talents and resources to help so many people stay safe and independent in their own homes. This is not only our mission but the very reason for our existence as an agency.

Our wish for you is that the coming year will bring you peace and joy.

Very Best Regards,

Vicki Salerno
